

Couldn't Thank You Enough

Ricky L. Tolson/RiverGlo Music/BMI

Verse I

I feel you movin in me, I feel you stirring inside
Where once there was no hope, your spirit brought new life
You brought me up from the depths, you've put my feet on solid ground
I'm forever yours, your humble servant now

Chorus

When your glory comes down and your presence feels the place
I'm reminded of your power and your sweet amazing grace
And I just can't explain the way it feels when you come down and fill my cup
And if stayed on my knees day and night I still couldn't thank you enough

Verse II

When I fall down on my knees and I cry out to you
There's so much I need say, to express my gratitude
You're with me everyday, every step that I take
And I'm so thankful Lord, my heart is filled with praise

Repeat Chorus I
