

Don't Give Up On Me

Rodney Locklear/BMI

Verse I

There's been times in my life
When I felt like giving up
But I'm reminded of your word
You said you would never give up on me.
I'm so glad that you are the truth and the life
and everything in your word is right

Chorus

I'll say Lord don't give up on me
I need your power and your grace to succeed
When everything seems to go
Oh so wrong
I'm so glad that I have you alone

Verse II

Oh those who don't believe
Can't you even see
That God loves you
He sent his Son to set you free
Just believe in your heart
Repent and then be saved
This eternal life that God has made

Repeat Chorus 2 x
