

I've Gone and Done Wrong

Scott McNutt/BMI

Chorus I

Lord I've gone and done wrong, such that I won't even say
It's not because I don't remember, but it's because I am ashamed
Lord I'm here to surrender; I'm here to give you my all
I'm a sinner who wants to be made clean at the foot of the cross

Verse I

Standing at the foot of the cross
He looked at everything he'd done and lost
He never knew that it would come to this
When he would overlook what was amiss
Now that he'd helped in the death of the savior
The centurions confidence waivered
When he realized they had murdered the hope of the lost

Chorus II

He said I've gone and done wrong, such that I won't even say
It's not because I don't remember, but it's because I am ashamed
Lord I'm here to surrender; I'm here to give you my all
I'm a sinner who wants to be made clean at the foot of the cross

Verse II

Have you ever looked at yourself, and realized your life was a mess
Shame fell all over you and it was so hard to confess
You look for the right words to say, you try to find yourself a way to pay
All the debt that you made when you walked away from the cross

Repeat Chorus I
