‡ William "Buster" Payne, Pastor ‡

Dear Brother or Sister in Christ,

Restoration is not just music; they are a truly anointed ministry. They are a group of wonderfully talented people, that use their gifts for the Kingdom. Restoration has ministered to our congregation on more than one occasion and have always been a blessing to us.

It is with the utmost confidence that I urge my fellow Pastors to allow Restoration the opportunity to come share their ministry with your congregation. I am certain that you won't be disappointed.
