

I'm Ready For That Day

Mike Bowling/Emerald Stream Music/BMI

Verse I

Now I don't own one thing that I can't give up
When he comes to take me away
It will all be gladness, there'll be no sadness
Oh I'm ready for that day

Chorus

Yes I'm ready for that day
When He calls us home to stay
And there we'll live forever
Yes I'm ready for that day

Verse II

Now if you have loved ones and they're not saved
Keep praying He's coming some day
We must stand bold, stand boldly and say
Oh be ready for that day

Verse III

Now when He comes back on that cloud in the sky
We'll bid this whole world goodbye
We'll be with the Father and our loved ones to
Oh I'm ready how about you?
Repeat Chorus 2 times
