

## Thanks To You

Ricky L. Tolson/Castle Rising Publishing/BMI

### **Verse I**

I took my first trip to church in my momma's arms  
I went with her when Sunday came from the day that I was born  
She taught me how to pray and who to give thanks to  
So, Lord I wanna take this time to give my thanks to you

### **Chorus**

And I wanna thank you for the love and the life you've given me  
For everyday that I spend with my family  
We've had our share of hard times but you've always seen us through  
So, Lord I wanna take this time to give my thanks to you

### **Verse II**

Evening would come and daddy would call and we'd all gather round  
He'd read from the holy book and then he'd kneel down  
And in those few moments of prayer I knew who to give thanks to  
So Lord as long as I have breath I'm gonna give my thanks to you

Repeat Chorus

### **Bridge**

Well I've grown a little older now; I have children of my own  
And Lord I know you'll hear them  
When they bow their heads and call....

Saying...

Repeat Chorus
